

96" Wet Location Industrial Ceiling Fans

All wet location ceiling fans share the following features:

- *Safe for use in wet locations (when installed in a GFCI protected branch circuit)*
- *Corrosion-resistant, lightweight aluminum blades make installing the fan easy with 1 or 2 people*
- *96" diameter span for maximum air movement*
- *6 speed, 9 blade design for high volume air movement with aerodynamic blade tip covers*
- *Silent operation with reduced motor noise*
- *Energy saving DC motor means lower operating temperature and greater longevity*
- *Reversible direction for changing seasonal needs*

This fan is available in your choice of 2 colors:

A. ICF96 WLWH
96" Fan in White

B. ICF96 WLORB
96" Fan in Oil-Rubbed Bronze
