

Whether you're building a new home with a master luxury bath or replacing an old, noisy bath fan, the MS Series is an impressive choice. Gracefully curved grilles provide efficient air flow and style. And it's powerful but quiet. Choose from a variety of models (including one with an energy-saving fluorescent bulb), all with superior air movement from 50 to 110 CFM; 2.0 to 4.5 sones.

PATENTED

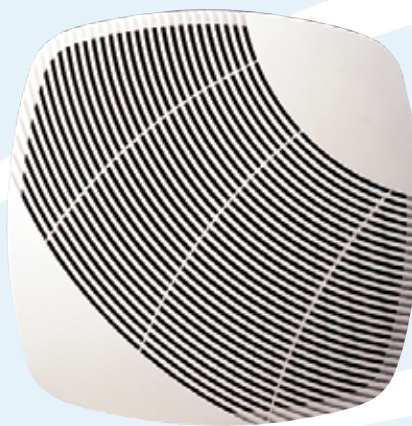

Grille: 12" x 12"
Housing: 9" x 9 1/4" x 5 1/16"

All NuVent products are
UL listed and HVI certified.
