

# Wireless Controller

## Fan control at your fingertips.

**Operate your fan straight from our designated app using your home WiFi connection!  
App available for download online via most standard smart device stores.**

HVWM 18CDHUB  
pictured.

**Hub controllers are currently being implemented  
on the following units:**

**Ducted Whole House Fans  
Direct and Belt Drive Whole House Fans  
2-Blade 18" Wall Mount Fans**

**Want to learn more about models that can have a wireless  
hub added? Just look for the hub-compatible logo on our  
sales sheets!**

### ABOUT OUR WIRELESS CONTROL SYSTEM

**Enjoy these great features using our new Hub System:**

- *In-app instructions make pairing your fan quick and easy*
- *Designate the speed setting in-app*
- *Set a timer for the fan to run, then automatically turn off*
- *Arrives pre-wired to your fan and ready to configure*
